Jonesport

Coastal Traditional Collection

The Jonesport, cousin to the Bar Harbour, maintains the same great layout and features, just on a slightly smaller scale. With an open floor plan, the kitchen and large entertaining island opens to the great room and dining area with tray ceilings. The great room overlooks a spacious screened loggia with attached patio. A large private study at the front is the perfect quiet escape. The master has convenient access to the laundry and the split floor plan provides optimum privacy with the guest rooms on the other side of the home. The master suite features his and hers closets, a tray ceiling, and a master bath with a walk-in shower and his and hers vanities. A bonus room with bath is optional.
